ABOUT ME

I am Full Stack Developer with over 15 years' experiences in websites and applications development. Proficient in various platforms, languages, and embedded systems. Equipped with a diverse and promising skill-set. Able to effectively self-manage during independent projects, as well as collaborate in a team setting.

EXPERIENCES

Customer Service Agent

February 2022-September 2022
Teleperformance Benelux

Helped to increase customer return rates by providing excellent customer service at all times

Web Designer

2003 - 2022
Freelance

Utilized my skills and knowledge of hand and power tools to design and build. Applied advanced knowledge of programming languages and development tools.

Web Programmer

January 2012-December 2012
Sviluppo Toscana SPA, Massa

Remained knowledgeable in new standards, technologies, and trends in website development. Successfully identified, diagnosed, and fixed website problems, including broken links, typographical errors, and formatting issues. Created detailed technical and user documentation.

Web Programmer and customer assistance

2008-2010
Computer store of Giuliano Griggio, La Spezia

Utilized the latest software development tools, techniques, and approaches. Helped to achieve a consistent look and visual theme across the website by promoting uniform fonts, formatting, images, and layout.

Cobol Programmer

1999-2001
Infoser, Milano

Applied advanced knowledge of programming languages and development tools.
